Bring a name, a question, information you have so far, or simply an interest in genealogy and local history. Derrick will be here to help! Learn about his favorite researching materials and start finding out more about your past.

This is a hands-on, casual, drop-in event for those 16 and older.

### **Origami Take and Makes**

Feeling like folding? Come pick up free origami paper at Moyer. Try your hand at folding game (Mario mushrooms and Frogger frogs) and non-game creations. We've printed bunches of instructions for you to choose from. Pick your favorites to take home.

A favorite kit in the past, origami folding is a great break from screens. It feels good making things with your hands. All ages are welcome to grab a kit.
