The dates are January 7, 14, 21, and 28. No experience or gear is needed. No sign up is needed. Simply bring yourself, and a friend, if you like! The class will be led by a woman who has taught similar classes at the Champaign Rec.

All participants will be required to sign a waiver.

### **I've Saved How Much Money at Moyer?!**

Using the library saves you money. Have you ever wondered how much? Or, the number of items you've checked out? Our checkout software tallies the amount of money you save by checking out books instead of purchasing them. And, it keeps track across the years. We can see your totals for 2024 as well as lifetime (since we started using Polaris). Regrettably, this does not include digital items checked out from Libby.

We'd love to share your totals. Next time you're at Moyer, ask how much you've saved. Stop in by December 31 for your 2025 totals. They reset on January 1st. We can see your lifetime stats on any day.

Perhaps your 2026 resolution will be to visit us more and save even more money by using Moyer!
