There's still time to join our January Reading challenge! All ages are invited to participate. Young children (0-5) will complete activities with caregivers to earn a board book. All others will read and complete simple book-related activities. Complete 5 of the 9 challenges for a small prize and a chance to win a book of your choice. Complete all 9 for the small prize and 3 chances to win a book of your choice. We'll give out books to four winners.
