

# Hello From Moyer

## **New Teen & Adult Activity Packet Now Available**

With all this wind, you may be in the mood for some indoor fun. Pick up your free printed collection of puzzles at Moyer today. It includes a little of everything: word searches, idioms, scatergory prompts, trivia, riddles, and more.

## **Card Making**

Join Mary McCormick's March card making class on Tuesday the 10th. The session runs from 1:30-3. Enjoy calm crafting time and leave with four beautiful handmade cards. Call or stop by Moyer to sign up.

## **Moyer Book Club March Pick**

The Moyer Book Club meets the first Thursday of each month at 1:00 PM. In March, they are meeting to discuss [A Most Clever Girl : a Novel of an American spy](#) by Stephanie Marie Thornton. All are welcome; no sign up is necessary. You may pick up a print copy at the circ desk.

*A Most Clever Girl is a thrilling novel of love, loyalty, and espionage, based on the incredible true story of Elizabeth Bentley, a Cold War double agent spying for the Russians and the United States.*

## **Mango Languages**

Have you given our new FREE language learning program a try? All you need if your Moyer library card to get started. Choose from over 70 languages, including a large selection of English classes for non-native speakers. Learn on the go or offline, on desktop, or mobile — absolutely free.

## **Weekly Mango Languages Tidbit**

In addition to learning words, Mango includes cultural notes. This provides a deeper understanding of the language and culture. Jess, our director, decided to try out Russian. She learned that it's customary to only say 'hi' the first time you see someone. A nod would suffice for any other meetings that day. Very different from GC where Jess is going to say "hi" every time she sees you!

## **Let Us Know!**

Thank you to everyone who has filled out our survey so far. We greatly appreciate your feedback! If you haven't yet, our 1 question survey is still available. Visit the library in person to fill out a paper form.

Fill it outline here:
