

## Moyer District Library

### **Moyer Loves Our Local History Section**

Moyer loves our local history selection and wants you to love it, too! Come visit! Our array of materials works for researchers and casual browsing. You'll find Ford County History in books, historical atlases, plat books, and more.

For years, local citizen Gail Hutchcraft cut out newspaper obituaries of local residents. We have her collection in alphabetical binders. Leaf through GCHS and GCMS yearbooks. Browse local church and group cookbooks. Dip into historic scrapbooks made by former residents.

Search old newspapers with our microfilm machine. Prefer online? Moyer has a subscription to newspapers.com. Access The Ford County Blade, The Ford County Chronicle, The Ford County Press, The Gibson City Courier, The Melvin Transcript, Prospect City Press, The Roberts Herald, The Sibley Journal, and The Weekly Standard.

Be sure to view the display cases near the shelves. We use them to highlight materials and collections stored in our Local History Closet. By rotating the displays, we're able to both showcase and preserve the materials. Currently you'll find Gibson City plates and mugs. Visit again later this spring for new displays.

Local history materials may not be borrowed or checked out. This protects fragile and older materials and makes them always available for research. We invited you to Moyer. Spend time here. Much may be discovered at the library.

### **Bunny Banter is Back!**

Are you gathering with family for a Spring Break or Easter meal? Pick up a Bunny Banter kit at Moyer! These cute kits are full of

questions to foster friendly chats. Take turns answering individual questions. Or, pull a question for everyone to answer.

Kits are available while supplies last, starting Monday, April 14th.

### **Paper Bunnies**

Hop over to the Kids Craft Table and make paper bunnies. Kids tear or cut paper strips into small pieces. Then, glue them onto bunny outlines. This spring craft helps young children develop fine motor skills. Yes, we would LOVE to see the bunnies at the Circ Desk. Seeing kid crafts is one of our staff's favorite things.

### **Closed on April 3**

Moyer will be closed Friday, April 3rd. We are open Saturday, April 4th and Monday, April 6th.

### **Foam Egg Voting**

Bunches of patrons have decorated and disguised foam eggs. They are wonderful! We need your help choosing winners. Please visit the eggs and vote for your favorite from April 1st through April 11th.
