

Moyer District Library

Play Kitchen

We are THRILLED to share that Moyer now has a play kitchen! It includes a sink, oven, fridge stocked with play food and drinks, pots and pans, a custom menu, and more. One of our favorite things at the library is seeing and hearing kids playing. We love when you bring your children to the library. Come play!

According to the Child Mind Institute, pretend play is wonderful for children. It supports cognitive, social, emotion, and physical growth. Playing pretend boosts creativity, empathy, language skills, and emotional regulation. Moreover, it's fun.

This purchase was made with generous donations from patrons. We appreciate you!

Grow Aware Take and Make Kits

Clove Alliance works to create awareness. April is Sexual Assault Awareness month. Body Safety conversations with children are an important part of April. Conversations can be hard to start. Clove created age-appropriate kits for children. Each includes a discussable story and everything needed to grow a marigold. Kits are available in both English and Spanish.

April Showers Bring Rainbows Kit

Our weather forecast this week includes rain. Thankfully, rainy days sometimes lead to rainbows. If you don't find one in the sky, you will in our latest children's craft kit. Kids will use colorful paper and cotton balls to create 3D rainbows. They are something to smile about! Pick up a free colorful craft kit at Moyer while supplies last.
