## **National Library Week**

Happy National Library Week! The best way to celebrate is by visiting a library. Other ways to celebrate include: reading, inviting a friend to the library, checking out materials, talking about the library, posting about Moyer on socials, thanking someone helpful at a library talking to your representatives about funding, and supporting the right of everyone to read what they choose.

From the American Library Association:

Monday, April 20: **Right to Read Day**, a day for readers, advocates, and library lovers to take action to protect, defend, and celebrate the right to read.

Tuesday, April 21: **National Library Workers Day**, a day for library staff, users, administrators, and Friends groups to recognize the valuable contributions made by all library workers.

Wednesday, April 22: **National Library Outreach Day** a day to celebrate library outreach and the dedicated library professionals who are meeting their patrons where they are.

Thursday, April 23: **Take Action for Libraries Day**, a day to rally advocates to support libraries.

## **Mini Coloring Kits**

We love surprises and coloring. It only made sense to combine the two! Visit Moyer to select an envelope with three mini coloring pages inside. You won't know what you've got until you open them later at home. All ages are welcome to select a free kit.

## **I Heart Libraries Display**

We may be biased...but libraries are loveable! Come add a reason to our I <3 libraries display. We have post-its and pens ready. While you're here, read what your fellow patrons have to say. The display will be up through the end of April.

## **Storytime with Miss Land of Lincoln Teen**
