

# Moyer District Library

## **Summer Reading Program Coming in June and July!**

2026's theme is Plant a Seed, Read. We are excited! All ages are invited to participate and win prizes by reading. No registration is required. Reading sheets and a program list will be available at Moyer starting Tuesday, May 26th.

## **Moyer Book Club's June Selection**

The Moyer District Library Book Club meets the first Thursday of each month at 1:00 PM. For June, they are reading The Radcliffe Ladies' Reading Club by Julia Bryan Thomas.

All are welcome to join; no sign up is necessary. Print copies are available at our circ desk. Head to Libby and Cloud Library for ebooks and audiobooks.

*Massachusetts, 1954. Alice Campbell escapes halfway across the country and finds herself in front of a derelict building tucked among the cobblestone streets of Cambridge, and she turns that sad little shop into the charming bookstore of her dreams.*

*Tess, Caroline, Evie, and Merritt become fast friends in the sanctuary of Alice's monthly reading club at The Cambridge Bookshop, where they escape the pressures of being newly independent college women in a world that seems to want to keep them in the kitchen. But they each embody very different personalities, and when a member of the group finds herself shattered, everything they know about each other—and themselves—will be called into question.*

## **Passport to Illinois Available Now**

Moyer now has Passports to Illinois. Visit anytime to pick up your free passport!

From Illinois America 250:

"Illinois America 250 is a statewide initiative commemorating the 250th anniversary of the Declaration of Independence. The effort highlights local stories, places, and programs while inviting Illinoisans to reflect on the nation's founding ideals and how they continue to shape the nation today.

The Passport to Illinois is a special, limited-edition travel and discovery guide created as part of the Illinois America 250 (IL250) celebration. It encourages residents and visitors to explore meaningful places across the state that help tell the story of Illinois and its role in the American experience

The passport is designed for everyone - Illinois residents, visitors, families, educators, students, and history or travel enthusiasts. Whether you explore one site or many, the passport offers a self-guided way to engage with Illinois' history, culture, and communities.

Participants use the passport as a guide while visiting selected sites across Illinois. The passport is organized by region, making it easy to plan trips based on geography or interests. Many pages include space to record visits, reflections, or notes from your travels.”

### **Mental Health May**

May is Mental Health Month! NAMI (National Alliance of Mental Health) chose the theme “healing begins in community” for 2026. They explain, “[e]very story shared turns silence into connection.”

We invite you to check out our **Feelings picture book display**. Pictures are wonderful discussion prompts. While you're here, grab a **Feelings Faces Craft Kit**. Children will color a face to look like them. Using a pull tab, kids may change the eyes and mouth. You can discuss how different combinations reflect different emotions.

For older tweens, teens, and adults, we have **paper squishy kits**. These were a hit earlier this year, so we brought them back for you! Each kit contains materials for three new shapes: a heart, a brain, and an emoji. If you've never tried one, they're fun. Fidgeting turns them soft.

If you would like to learn more, check out NAMI's website <https://www.nami.org/>

### **Upcoming Dates for Chair Exercise Classes**

Free classes run from 1-1:30pm on Wednesdays. Join Jessica and the class:
