Mother Day Flowers Craft Table

Mother's Day is Sunday, May 10th. We've created a paper flower station. Dads, Grandpas, and other family members are invited to bring their kiddos to Moyer. Create a deluxe paper flower for Mom. They will likely need your help! Craft here at Moyer; all supplies are provided. Or, grab a kit (all paper parts included) to make at home.

Mental Health May

May is Mental Health Month! NAMI (National Alliance of Mental Health) chose the theme "healing begins in community" for 2026. They explain, "[e]very story shared turns silence into connection."

We invite you to check out our **Feelings picture book display**. Pictures are wonderful discussion prompts. While you're here, grab a **Feelings Faces Craft Kit**. Children will color a face to look like them. Using a pull tab, kids may change the eyes and mouth. You can discuss how different combinations reflect different emotions.

For older tweens, teens, and adults, we have **paper squishy kits**. These were a hit earlier this year, so we brought them back for you! Each kit contains materials for three new shapes: a heart, a brain, and an emoji. If you've never tried one, they're fun. Fidgeting turns them soft.
